

Paper Roll Dragon Craft

These fire breathing dragons are so easy to make! Here's what you'll need:

- Paper Roll (Toilet paper roll, paper towel roll, or wrapping paper roll)
- Green or Red Construction Paper
- 2 Medium Pom Poms
- 2 Small Pom Poms
- 2 Medium Googly Eyes
- Red, Yellow and Orange Tissue Paper
- Glue Stick
- Scissors

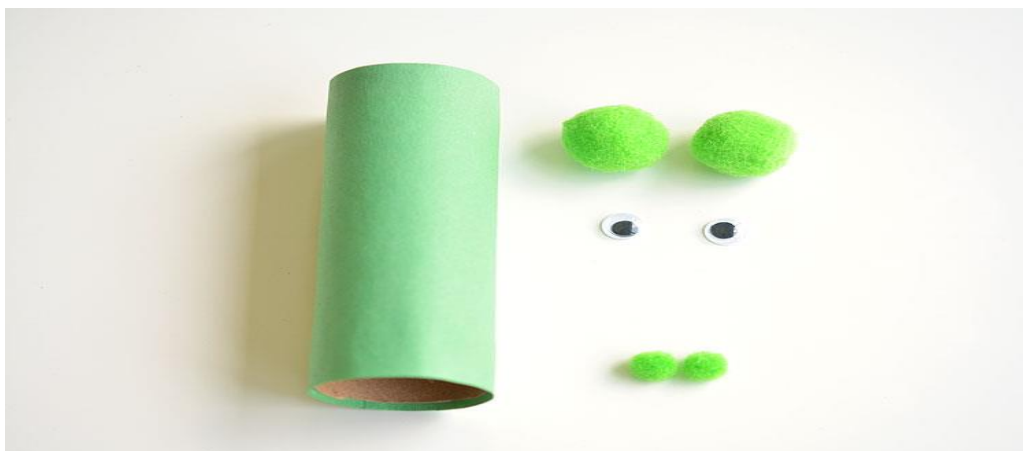

Use scissors to cut the wrapping paper tube to about the same size as a toilet paper roll.

Then cut the construction paper to the size of the paper roll so it would completely cover it and use a glue stick to attach it to the roll.

Next, you're going to need to choose two medium pom poms, two small pom poms, and a set of googly eyes. Feel free to let your creativity loose on this one!

Use glue to attach the eyes to the pom poms.

Next, attach the pom poms to the paper tube:

For the fire, use red, yellow and orange tissue paper, cut into about 9" or 10" long, pointy strips.

Then use a glue stick to attach them to the inside of the paper tube.
